Volunteer Home Repair Minor Home Repair and Paint FHLB Community Rebuild and Restore Program

- Household income must be at or below limits shown in table below. Household refers to the number of persons living in the house.

| 1 Person | 2 Persons | 3 Persons | 4 Persons | 5 Persons | 6 Persons | 7 Persons | 8 Persons |
|----------|-----------|-----------|-----------|-----------|-----------|-----------|-----------|
| \$40,150 | \$45,900 | \$51,650 | \$57,350 | \$61,950 | \$66,550 | \$71,150 | \$75,750 |

Effective: June 28, 2019

- Applicants must own (or be purchasing) and occupy the house that is being repaired.
- City and County tax accounts must be current.
- Repairs are generally limited to correcting one or two problems related to roofs, exterior surfaces, and structure, electrical or plumbing. This is not a major renovation program. Not all of the improvements desired by the applicant may be accomplishable.
- Priority will be given to making exterior building envelope improvements, correcting emergency and life safety problems, and correcting problems that have been cited as property maintenance and/or housing code violations.
- Priority may also be given to the elderly, disabled, first time participants, and/or participants with houses located in areas that are being targeted for revitalization by the City.
- Interior repairs that disturb painted surfaces in houses built prior to 1978 are generally not permitted.
- Homes needing repairs that do not require a contractor may be selected for participation in a volunteer home repair program and must be safe and manageable for volunteers to work on. Homeowners must release volunteer organizations and the City of Savannah from any and all liability associated with work performed on the house. Volunteer organizations, not the City, select the homes they will repair.
- Some advance work may have to be performed on the house by a professional contractor hired by the homeowner in order to get the house into a condition that permits the volunteers to perform their work. The Housing & Neighborhood Services Department may be able to finance some of this work.

- 10. If it is necessary to hire a contractor to make repairs, homeowners, not the City, hire private contractors to make repairs. If you know of one or more contractors you would like to get pricing from, please submit their written estimate with your application. **Estimates that include shingle replacement must include pricing for 30 year architectural shingles.** You are **NOT** required to submit repair estimates.
- 11. The FHLB home repair programs provide up to \$10,000.00 in the form of a 0% interest, \$0.00 monthly payment **FORGIVABLE** loan for interior and exterior repair. All contractors must be pre-approved by FHLB. This is a nationally competitive program and funding is limited. All applicants must be approved by FHLB before acceptance into the program.
- 12. Completing the application does not guarantee the application will be approved and the home repaired.
- 13. Applications will be processed on a first submitted first reviewed basis.
- 14. Applicants must submit all required documents (listed on Required Document Checklist) before the application can be processed.
- 15. Housing & Neighborhood Services will notify homeowners when an assistance determination has been made and, if the request is approved, which home repair program will be used to fund the repairs. Homeowners will be told whether or not their home has been selected by a volunteer group and if any repairs have to be made to the home in order for the volunteers to make their improvements.
