

CITY OF SAVANNAH ZONING ORDINANCE

R-B ZONING DISTRICT

R-B residential-business. The purpose of this district shall be to create an area in which residential uses, institutional uses, professional uses and certain types of convenience-shopping-retail sales and service uses can be intermixed and at the same time prevent the development of blight and slum conditions. This district shall only be established in those older sections of the community in which by custom and tradition the intermixing of such uses has been found to be necessary and desirable, and in those areas where it is found necessary and desirable to create a transition zone between an R district and a B or I district.

A day nursery or kindergarten can be located on a school or church property provided that such property contains a minimum lot area of 12,000 square feet. Provided that approval for any day nursery or kindergarten located at a school or church shall be limited to a maximum of 36 children, provided that all other requirements of this section shall apply. The board of appeals may grant approval for up to 50 children at a school or religious institution if on the basis of evidence presented it finds that the traffic generated by the particular use can be accommodated on other streets without creating traffic congestion and traffic hazards on such street which would be detrimental to the neighborhood served by such streets.		
c.	The architectural character, including the orientation and exterior appearance of any structure, shall be characteristic of the neighborhood within which such structure is located.	
d.	Such use shall provide the number of off-street parking spaces required for educational and institutional uses as set forth in section 8-3089 "Minimum space requirements for off-street parking areas."	
e.	When an abutting use is residential, a visual buffer shall be provided so as to shield all parking areas, play areas and outdoor activity areas from abutting property. Such buffer shall consist of an appropriately designed fence or building wall or a combination thereof. Said fence shall be opaque, a minimum of six feet in height, and shall be maintained at all times.	
f.	One illuminated sign not to exceed three square feet in area shall be permitted in residential districts; provided that, where such use is adjacent to or directly across from a nonresidential use or district, the board of appeals may allow a principal use sign of up to 12 square feet in area when it is located on the side of the property facing the nonresidential use or property. Exterior drawings, graphics, or pictorials are prohibited.	
(20c)	Child care center	X
a.	Provided that 100 square feet of outdoor play space is provided each child in any group using the play area at one time.	
b.	Such uses shall only be permitted on a lot or plot of ground which abuts a collector street, a major arterial or secondary arterial, provided that approval of any day nursery or kindergarten located within an "R" district shall be limited to a maximum of 18 children. The board of appeals shall be authorized to waive this requirement if on the basis of evidence presented it finds that the traffic to be generated by the particular use can be accommodated on other streets without creating traffic congestion and traffic hazards on such street which would be detrimental to the neighborhood served by such other streets. Provided that approval for any day nursery or kindergarten can be located on a school or church property provided that such property contains a minimum lot area of 12,000 square feet. Provided that approval for any day nursery or kindergarten located at a school or church shall be limited to a maximum of 36 children, provided that all other requirements of this section shall apply. The board of appeals may grant approval for up to 50 children at a school or religious institution if on the basis of evidence presented it finds that the traffic generated by the particular use can be accommodated on other streets without creating traffic congestion and traffic hazards on such street which would be detrimental to the neighborhood served by such streets.	
c.	The architectural character, including the orientation and exterior appearance of any structure, shall be characteristic of the neighborhood within which such structure is located.	
d.	Such use shall provide the number of off-street parking spaces required for educational and institutional uses as set forth in section 8-3089 "Minimum space requirements for off-street parking areas."	
e.	When an abutting use is residential, a visual buffer shall be provided so as to shield all parking areas, play areas and outdoor activity areas from abutting property. Such buffer shall consist of an appropriately designed fence or building wall or a combination thereof. Said fence shall be opaque, a minimum of six feet in height, and shall be maintained at all times.	
f.	One illuminated sign not to exceed three square feet in area shall be permitted in residential districts; provided that, where such use is adjacent to or directly across from a nonresidential use or district, the board of appeals may allow a principal use sign of up to 12 square feet in area when it is located on the side of the property facing the nonresidential use or property. Exterior drawings, graphics, or pictorials are prohibited.	
(20d)	Adult day care center	X
