principal use.	
(20b) Day nurseries and kindergartens	X
a. Provided, that 100 square feet of outdoor play space is provided for each child.	
b. Such uses shall only be permitted on a lot or plot of ground which abuts a collector street, a major arterial or secondary arterial, provided that approval of any day nursery or kindergarten located within an "R" district shall be limited to a maximum of 18 children. The board of appeals shall be authorized to waive this requirement if on the basis of evidence presented it finds that the traffic to be generated by the particular use can be accommodated on other streets without creating traffic congestion and traffic hazards on such street which would be detrimental to the neighborhood served by such other streets. Provided that approval for any day nursery or kindergarten established requiring access along a residential or lesser classified street shall be limited to a maximum of 12 children. A day nursery or kindergarten can be located on a school or church property provided that such property contains a minimum lot area of 12,000 square feet. Provided that approval for any day nursery or kindergarten located at a school or church shall be limited to a maximum of 36 children, provided that all other requirements of this section shall apply. The board of appeals may grant approval for up to 50 children at a school or religious institution if on the basis of evidence presented it finds that the traffic generated by the particular use can be accommodated on other streets without creating traffic congestion and traffic hazards on such street which would be detrimental to the neighborhood served by such streets.	
c. The architectural character, including the orientation and exterior appearance of any structure, shall be characteristic of the neighborhood within which such structure is located.	
d. Such use shall provide the number of off-street parking spaces required for educational and institutional uses as set forth in section 8-3089 "Minimum space requirements for off-street parking areas."	
e. When an abutting use is residential, a visual buffer shall be provided so as to shield all parking areas, play areas and outdoor activity areas from abutting property. Such buffer shall consist of an appropriately designed fence or building wall or a combination thereof. Said fence shall be opaque, a minimum of six feet in height, and shall be maintained at all times.	
f. One illuminated sign not to exceed three square feet in area shall be permitted in residential districts; provided that, where such use is adjacent to or directly across from a nonresidential use or district, the board of appeals may allow a principal use sign of up to 12 square feet in area when it is located on the side of the property facing the nonresidential use or property. Exterior drawings, graphics, or pictorials are prohibited.	
(20c) Child care center	X
a. Provided that 100 square feet of outdoor play space is provided each child in any group using the play area at one time.	
b. Such uses shall only be permitted on a lot or plot of ground which abuts a collector street, a major arterial or secondary arterial, provided that approval of any day nursery or kindergarten located within an "R" district shall be limited to a maximum of 18 children. The board of appeals shall be authorized to waive this requirement if on the basis of evidence presented it finds that the traffic to be generated by the particular use can be accommodated on other streets without creating traffic congestion and traffic hazards on such street which would be detrimental to the neighborhood served by such other streets. Provided that approval for any day nursery or kindergarten established requiring access along a residential or lesser classified street shall be limited to a maximum of 12 children. A day nursery or kindergarten can be located on a school or church property provided that such property contains a minimum lot area of 12,000 square feet. Provided that approval for any day nursery or kindergarten located at a school or church shall be limited to a maximum of 36 children, provided that all other requirements of this section shall apply. The board of appeals may grant approval for up to 50 children at a school or religious institution if on the basis of evidence presented it finds that the traffic generated by the particular use can be accommodated on other streets without creating traffic congestion and traffic hazards on such street which would be detrimental to the neighborhood served by such streets.	
c. The architectural character, including the orientation and exterior appearance of any structure, shall be characteristic of the neighborhood within which such structure is located.	
d. Such use shall provide the number of off-street parking spaces required for educational and institutional uses as set forth in section 8-3089 "Minimum space requirements for off-street parking areas."	
e. When an abutting use is residential, a visual buffer shall be provided so as to shield all parking areas, play areas and outdoor activity areas from abutting property. Such buffer shall consist of an appropriately designed fence or building wall or a combination thereof. Said fence shall be opaque, a minimum of six feet in height, and shall be maintained at all times.	
f. One illuminated sign not to exceed three square feet in area shall be permitted in residential districts; provided that, where such use is adjacent to or directly across from a nonresidential use or district, the board of appeals may allow a principal use sign of up to 12 square feet in area when it is located on the side of the property facing the nonresidential use or property. Exterior drawings, graphics, or pictorials are prohibited.	
(20d) Adult day care center	X
a. Such use shall only be permitted on a lot which abuts and has vehicular access to a collector street, major arterial or secondary arterial. The zoning board of appeals may waive this requirement if, on the basis of evidence presented, it finds that the traffic to be generated by a particular use can be accommodated on a minor or residential street without creating traffic congestion and traffic hazards to the neighborhood served by such streets. When such use is located on a minor or residential street, the board may limit the number of persons utilizing the facility and the hours of operation based on the traffic to be generated, the size of the property, the characteristics of the neighborhood, and the location of the use in relation to adjacent properties.	
b. Such use shall comply with the Georgia Department of Human Resources' "Standards for Adult Day Care," as amended.	
c. The parking layout and design shall be characteristic of the neighborhood within which such use is located.	
d. One off-street parking space per employee, including supervisory personnel, plus safe and functional off-street patron pickup and delivery space as approved by the city traffic engineer, shall be provided.	
e. When the building housing such use is located across the street from or adjacent to a dwelling unit the use shall operate only between the hours of 6:30 a.m. and 9:00 p.m.	
f. A site plan shall be submitted to and approved by the MPC under the provisions of section 8-3031 prior to the issuance of a building permit or an occupancy permit.	
(20e) Child sitting center	X
All appropriate licenses from the Georgia Department of Human Resources shall be obtained by the applicant prior to receiving an occupancy permit.	
A minimum of 25 square feet of space per child shall be provided.	
(23) Greenhouse and plant nursery	X
(23a) Tree cutting/pruning contractor	X
a. Such use shall not be located less than 75 feet from a conforming residential dwelling.	
b. Such use shall provide a buffer when adjoining any R district in accordance with section 8-3066 of this chapter.	
c. Such use shall not store or process any wood materials on-site
