Dear Gary,

I am writing to you to follow up our telephone conversation of May 25th. I informed you then that the Community Action Group, our gay and lesbian organization, would like to meet with Congresswoman McKinney during her visit here in early June. We are interested in speaking with her on issues of particular concern to our group, and we are possibly interested in endorsing her and providing volunteers to assist with her campaign. As you requested, I am faxing you this memo, expecting a response sometime early next week.

Thank you for your time.

Sincerely,

Robert W. Bush
