CONSENT JUDGMENT ON AGGREGATE REFUND AND ORDER

Plaintiff VTAL Real Estate, LLC (“Named Plaintiff”, “VTAL” or “Class Representative”) having filed the instant class action lawsuit (the “Lawsuit”) against the Mayor and Aldermen of the City of Savannah (“Defendant” or “the City of Savannah”) pursuant to City of Savannah 2021 Revenue Ordinance, Article U, §12 for fees illegally assessed and collected and for a tax refund and prejudgment interest pursuant to O.C.G.A. § 48-5-380 (the “Refund Statute”) to recover illegal taxes levied and collected on behalf of itself and all commercial or residential building permit applicants from July 30, 2016 to present as alleged in the Lawsuit (collectively “applicants”) similarly situated and this Court having read and considered the various motions and responses thereto and the Parties stipulating to the amount of the aggregate refund fund;

THEREFORE, IT IS ORDERED as follows:

A. Class Certification

Plaintiff and Defendant hereby stipulate to the certification of five (5) classes pursuant to O.C.G.A. § 9-11-23(b)(1) and the Court finds that such certification is appropriate. The classes consist of the following:

(1) The first class consists of all Commercial or Residential Building Permit Applicants similarly situated who, like Named Plaintiff, were assessed and paid Water Tap-in Fees where no water meter service application was submitted (hereinafter "Class 1").

(2) The second class consists of all Commercial or Residential Building Permit Applicants similarly situated who, like Named Plaintiff, were assessed and paid Sewer Tap-in Fees where no request for a permit to connect to a sanitary sewer line was submitted (hereinafter "Class 2").

(3) The third class consists of all Commercial or Residential Building Permit Applicants similarly situated who, like Named Plaintiff, were assessed and paid Reclaimed Water Fees where no water meter application was submitted (hereinafter "Class 3").

(4) The fourth class consists of all Commercial or Residential Building Permit Applicants who were assessed and paid Water Additional Fees, Sewer Area Additional Fees or Sewer Site Additional Fees but were not a new customer (hereinafter "Class 4").

(5) The fifth class consists of all Commercial or Residential Building Permit Applicants similarly situated who, like Named Plaintiff, were assessed and paid Treatment Plant Fees for any treatment plants other than the Crossroads Sewage Plant, Georgetown, President Street Plant or Travis Field Treatment Plant (hereinafter the "Class 5").

Class 1, Class 2, Class 3, Class 4 and Class 5 are hereinafter referred to as the “Refund Classes”. “Class Member” or “Class Members” means a member or members of the Refund Classes.

The Court specifically finds that class certification is appropriate because:

- 1) The potential class members are so numerous that joinder of all members is impractical, satisfying the requirements of O.C.G.A. § 9-11-23(a)(1);
- 2) There are questions of law or fact common to each class member, satisfying the requirements of O.C.G.A. § 9-11-23(a)(2);
- 3) The claims of the representative party are typical of the claims of Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(3);
- 4) Class Representative will fairly and adequately protect the interests of the Class Members, satisfying the requirements of O.C.G.A. § 9-11-23(a)(4);
- 5) Certification of the Refund Classes is appropriate under O.C.G.A. § 9-11-23(b)(1) as the prosecution of separate actions by or against individual Class Members would create a risk of inconsistent or varying adjudications with respect to individual Class Members which would establish incompatible standards of conduct for the party opposing the class or adjudications with respect to individual Class Members which would as a practical matter be dispositive of the interests of the other members not parties to the adjudications or substantially impair or impede their ability to protect their interests;¹

¹ Additionally, while the Court has elected to only certify the Refund Classes under 9-11-23(b)(1), the Court also finds that certification under 9-11-23(b)(3) would be appropriate as questions of law or fact common to the members of the Refund Classes predominate over questions affecting only individual members, satisfying the requirements of O.C.G.A. § 9-11-23(b)(3) and a class

6) The law firms of Roberts Tate, LLC and Manly Shipley, LLP will fairly and adequately represent the interests of the Refund Classes as Class Counsel; and

7) The action is manageable as a class action.

Plaintiff VTAL shall serve as class representative for the Refund Classes as defined herein.

The law firms of Roberts Tate, LLC and Manly Shipley, LLP are appointed as Class Counsel for the Refund Classes certified herein.

B. Consent Judgment on the Aggregate Refund Amount

Named Plaintiff and Defendant hereby stipulate that the aggregate refund amount in this Lawsuit is Three Million Five Hundred Thousand and No/100 Dollars (\$3,500,000.00) (hereinafter the "Aggregate Refund Fund"). In the event that Defendant fails to make the payment into the Aggregate Refund Fund as provided above, post judgment interest shall accrue at the rate of 7.0% per annum as set by O.C.G.A. § 7-4-2(a)(1)(A) on said amount until paid in full.

The Aggregate Refund Fund Account shall have a unique Taxpayer Identifier Number.

Except as set forth above, the costs of administering the Class Refunds shall not include any costs incurred by Defendant related to the webpage used for notification of Class Members or time devoted by employees of Defendant to fulfilling the terms of this Consent Judgment. The Aggregate Refund Fund shall be the sole and exclusive source for payment of the Class Refunds and fees and expenses, and payment in full of the amount of the Aggregate Refund Fund owed by Defendant shall be in sole satisfaction of all claims against Defendant.

The Court, in its discretion, may determine which, if any, Class Member(s) who objected and who requested to appear at the Final Approval Hearing will be entitled to appear and be heard. Any Class Member who fails to object in the manner set forth in this Section shall be deemed to have forever waived his or her objections and forfeit any and all rights the Class Member may otherwise have to appear separately and/or to object and shall be bound by all the terms of this Consent Judgment and by all proceedings, orders and judgments in the Lawsuit.

E. Fees and Expenses

Class Counsel intends to file a motion for attorneys' fees and expenses to be awarded as well as a motion for a class service payment to the Class Representative at least twenty (20) days prior to the Final Approval Hearing. Class Counsel intends to seek the payment of attorneys' fees from the Aggregate Refund Fund plus documented out of pocket costs and expenses for prosecuting this action ("Fee Petition"). Any award of attorneys' fees, costs and expenses to Class Counsel shall be payable solely out of the Aggregate Refund Fund and is subject to Court approval. Defendant takes no particular position in favor or against the ultimate amount requested in such Fee Petition and intends to defer such decision to the judgment and discretion of the Court.

Additionally, Class Counsel intends to file on behalf of Class Representative a petition for class service payment from the Aggregate Refund Fund ("Class Service Petition"). Defendant takes no particular position in favor or against the ultimate amount requested in such Class Service Petition and intends to defer such decision to the judgment and discretion of the Court.

Following the date of notice to the Class as described below, the Court, if necessary, will hold a hearing (see Section F) to resolve any objections and pending motions and will determine the amount of fees and expenses to be paid to Class Counsel and fees to be paid to the Class Representative. Class Counsel's fees and expenses, Class Representative's fees, and fees regarding the administration of the Aggregate Refund Fund are collectively referred to as "Fees and Expenses". Fees and Expenses are to be paid from the Aggregate Refund Fund.

The Attorney's Fees and Expenses and Service Payments shall be paid to a Qualified Settlement Fund under Section 468B of the Internal Revenue Code to be identified and established prior to and to be specified in the Final Order.

All fees and expenses awarded by the Court to Class Counsel shall be payable from the Aggregate Refund Fund upon award from the Initial Aggregate Refund Fund Payment and shall be paid by the VTAL QSF Administrator within thirty (30) days from the date of the Court Order approving same, subject to the availability of sufficient funds in the Aggregate Refund Fund with any remaining fees and expenses owed to be paid at such time as additional funds are placed into the Aggregate Refund Fund sufficient to satisfy the award of fees and expenses to Class Counsel. Fees and expenses awarded to Class Counsel shall be paid notwithstanding the existence of any timely filed objections thereto, or potential for appeal therefrom, or collateral attack on the award or this Consent Judgment or any part thereof, subject to Class Counsel's obligation to make appropriate refunds or repayments to the Aggregate Refund Fund plus accrued interest at the same net rate as is earned by the Aggregate Refund Fund, if and when, as a result of any appeal and/or further proceedings on remand, or successful collateral attack, the fee or expense award is reduced or reversed.

F. Final Approval Order and Entry of Consent Judgment

Named Plaintiff shall file its Motion for Final Approval of Consent Judgment, the Fee Petition and the Class Service Petition no later than seven (7) days prior to the date of the Final Approval Hearing. The Court, if necessary, will hold a hearing to resolve any objections properly submitted and enter the Consent Judgment and award attorneys' fees and expenses and service award for Class Representative. The Motion for Final Approval of the Consent Judgment will contain a proposed final approval order in a form agreed to by Named Plaintiff's Counsel and Defendant's Counsel ("Final Approval Order"). - d. Determine that the Notice provided satisfies Due Process requirements;
- e. Enter a final order and judgment giving effect to the terms of this [Proposed] Consent Judgment;
- f. Rule on the Fee Petition and award attorney's fees and expenses payment as may be determined to be fair, adequate, and reasonable in the discretion of the Court;

- j. Direct payment of the Aggregate Refund Fund as provided herein; and
- k. Reserve the Court's continuing and exclusive jurisdiction over the Parties to this Consent Judgment, to administer, supervise, construe and enforce this Consent Judgment in accordance with its terms.

G. Identification of Class Members and Calculation of Individual Refunds

Following Final Approval of the Consent Judgment, the Administrator is directed to identify the Classes and Class Members and determine the refunds owed.

Within ninety (90) days of Final Approval, Defendant City of Savannah shall provide Administrator with access to all records of the City of Savannah from which the the identity and last known contact information including name, mailing address, email and telephone number, payment amount and payment date, can be determined for all of the following applicants:

- (3) All Commercial or Residential Building Permit Applicants who were assessed and paid Reclaimed Water Fees where no water meter application was submitted in conjunction with the building application from July 30, 2016 to present;

For any Class Members in Classes 1 to 5, the Refund shall be calculated as follows:

1. All Class 1 Class Members who submitted Commercial or Residential Building Permit Applicants who were assessed and paid Water Tap-in Fees where no water meter service application was submitted in conjunction with the application from July 30, 2016 to present shall be refunded the pro-rata amount of the Water Tap-in Fee paid;

2. All Class 2 Class Members who submitted Commercial or Residential Building Permit Applicants who were assessed and paid Sewer Tap-in Fees where no request for a permit to connect to a sanitary sewer line was submitted in conjunction with the application from July 30, 2016 to present shall be refunded the pro-rata amount of the Sewer Tap-in Fee paid;

3. All Class 3 Class Members who submitted Commercial or Residential Building Permit Applicants who were assessed and paid Reclaimed Water Fees where no water meter application was not submitted in conjunction with the application from July 30, 2016 to present shall be refunded the pro-rata amount of the Reclaimed Water Fees paid;

4. All Class 4 Class Members who submitted Commercial or Residential Building Permit Applicants who were assessed and paid Water Additional Fees, Sewer Area Additional Fees or Sewer Site Additional Fees but had an existing water and sewer account for the property at the

5. All Class 5 Class Members who are Commercial or Residential Building Permit Applicants and who were assessed and paid Treatment Plant Fees for any treatment plants other than the Crossroads Sewage Plant, Georgetown, President Street Plant or Travis Field Treatment Plant from July 30, 2016 to present shall be refunded the pro-rata amount of the Treatment Plant Fees paid.

The Administrator will calculate interest on the calculated refund from the date of overpayment through the date of final approval of this Consent Judgment and add this amount to the calculated refund for each Class Member.

The resulting calculation shall be the refund owed to each Class Member (the "Calculated Refund").

The identification of Class Members entitled to refunds and the amount of the individual refunds due to such Class Members is to be completed within nine (9) months of final approval of the Consent Judgment.

Upon completion of the identification of the Class Members entitled to refunds and the amount of the individual refunds due to such Class Members, the Administrator will post the list of Class Members and the calculated refund amount owed to each on the City of Savannah's website and provide notice in the Savannah Morning News.

The City of Savannah and any Class Member shall have the right to object to the calculation of any individual refund calculations made by the Administrator including the City of Savannah's ability to assert any individual defenses to such individual's entitlement to the refund or the amount

thereof. Such objection shall be filed with the Special Master as defined below within forty-five (45) days of the Administrator's notice of completion of the individual refund calculation.

Finally, the page on the City of Savannah's website will provide a claim form for any applicant not identified as a Class Member by the Administrator to submit in the event they believe they are entitled to a refund with a time limit of forty-five (45) days from the posting of the individual refund calculation on the City of Savannah's website. The Administrator shall review any such claims by additional applicant(s) and determine whether they are in fact entitled to any refund, submit their conclusions to the applicant(s) and Defendant who shall have fifteen (15) days to object to the Administrator's findings. Any such objections shall be heard by the Special Master as defined below. The Special Master's ruling is final and binding, except as to questions of law, which are subject to review by the Judge and/or any appellate court of this state with jurisdiction over the subject matter.

Finally, the page on the City of Savannah's website will provide a form for any applicant identified as a Class Member to utilize to update their address.

H. Administration of the Class

Rita Spalding is appointed Special Master to rule on any individual defenses or disputes in the individual refund calculation and administration process. The Special Master's decision shall be final and binding. The fees and expenses of the Special Master shall be paid from the Aggregate Refund Fund. In the event that Rita Spalding cannot serve, a substitute Special Master consented to by the Parties shall be appointed.

All Class Members identified by the Administrator as being entitled to refunds following resolution of all objections, if any, shall be the "Qualified Class Members" to whom refunds shall

be paid as set forth below. The individual refund amounts shall be mailed to the Class Members in accordance with the timing procedures set forth below.

I. Qualified Class Member Refunds

Each Qualified Class Member will receive its pro-rata share of his or her Calculated Refund up to 100% of the total calculated refund due from the Aggregate Refund Fund, less Fees and Expenses (the "Pro-Rata Refund"). It is anticipated that the Aggregate Refund Fund is sufficient to pay each Class Member 50% to 100% of the total calculated refund. "Pro-rata" shall mean the proportion each Qualified Class Member's Calculated Refund bears to the total Aggregate Refund Fund. This percentage shall be used to calculate each Qualified Class Member's pro rata share of the Fees and Expenses to be subtracted from the Calculated Refund. Upon identification of all Qualified Class Members and determination of the Pro-Rata Refund for each and determination of all Fees and Expenses, the Aggregate Refund Fund shall be divided by the sum of the Pro-Rata Tax Refund for each Qualified Class Member. The resulting percentage shall be each Qualified Class Member's portion of the Fees and Expenses ("Pro-Rata Percentage of Fees and Expenses"). The product of the Pro-Rata Percentage of Fees and Expenses times the Fees and Expenses shall be deducted from the sum of each Qualified Class Member's Pro-Rata Refund and the remainder shall be the amount distributed to each Qualified Class Member as set forth herein.

J. Refund Payment Process

Within thirty (30) days of the later of the expiration of the period for objecting to individual refund amounts or a final ruling by the Special Master on any individual refund calculation, the Administrator shall identify to the VTAL QSF Administrator the amount of refund due each Qualified Class Member and the address to which the refund is to be mailed. The address used for each Qualified Class Member will be the last known address on file with Defendant or the updated

address provided by the Qualified Class Member using the address form provided on the City of Savannah's website described in Section G.

The VTAL QSF Administrator shall issue refund checks from available funds in the Aggregate Refund Fund within thirty (30) days of receipt of such notice.

Any and all checks returned or uncashed after one hundred and twenty (120) days from issuance shall be canceled by the VTAL QSF Administrator (the "Expiration Date"). Following the Expiration Date, all monies remaining in the Aggregate Refund Fund after all payments have been made as outlined herein shall be returned to the City of Savannah.

The VTAL QSF Administrator shall maintain accurate accounting records of all deposits and payments from the Aggregate Refund Fund Account and shall provide such accounting to Named Plaintiff's Counsel and Defendants' Counsel upon request. The VTAL QSF Administrator shall file a notice of completion of administration ("Notice of Completion"), the form of which shall be included in the Motion for Final Approval, with the Court within thirty (30) days of completion of the administration and return of any remaining funds from the Aggregate Refund Fund Account to the City of Savannah.
