Record Series #: 1121-081

Name: Broughton Streetscape Survey

Dates: 2020

Extent/Size: 88 digital files (3.5 GB)

Language: English

Creator:

Ethos Preservation for The Astra Group Inc.

Scope & Content:

The Broughton Streetscape Survey (2020) includes historic resource inventory survey forms for streetscape elements impacted by the Broughton Streetscapes Project. Each form includes: the type of resource, location, year built, CAD drawing showing the location of the resource, and additional contextual information, as well as a detail photograph and an area photograph. The collection is completely digital in format.

System of Arrangement & Ordering:

The collection is arranged in the order that it was received. The survey sheets are arranged in folders for each of the project's four phases, starting at the west end of Broughton Street and moving east. Each phase is combined into a PDF for web access.

Conditions Governing Access:

None

Conditions Governing Reproduction and Use:

Please read carefully the statement on copyright below. ***Permission to reproduce does not constitute permission to publish.*** Researchers who plan publication are asked to discuss this with the archivist first for written permission. While most of the Municipal Archives collections are public records and in the public domain, not all are, and the Municipal Archives may not be the owner of copyright for all its archival materials. Researchers are responsible for obtaining any necessary permission to publish from the holder of copyright. In the event that the Municipal Archives becomes a source for publication, a copy of the publication is requested for the Municipal Archives.

NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve a violation of copyright law.
