SAVANNAH.

Savannah is rich in historical lore, is a city of 21,000 people and is known for its beautiful buildings, semi-tropical verdure, 24 municipal parks and 100 miles of seaward chain, nine suburban resorts, golf and outdoor sports, modern hotels and varied amusements. The climate is ideal, the city is both winter and summer resort and the Atlantic Ocean contributes to its being unequalled in the South. It is indeed, Savannah, the Southern Key to Land and Sea.

Savannah, Georgia

HOTEL SAVANNAH

One of Savannah's leading, modern hotels. It faces the beautiful and historic park "Johnson Square." First Square of the town for years the center of Colonial activities. Gen. Nathaniel Greene, the Revolutionary War hero, and his son lie buried under the imposing monument erected in his honor. Here also, in 1861, with patriotic fervor, the Confederate flag was first raised. East of the Square is Christ Church, established in 1733, the year Gen. Oglethorpe landed here and established the Colony of Georgia.
