THE INDEPENDENT PRESBYTERIAN CHURCH  
SAVANNAH, GEORGIA

Of the Christopher Wren School, the church is suggestive of St. Martins-in-the-field, of London. Founded in 1755 as a branch of the Church of Scotland, the present building is a reproduction of the one erected in 1819 and destroyed by fire in 1889. Lowell Mason, while organist here, composed the famous hymn, "From Greenland's Icy Mountains". In 1885, Woodrow Wilson was married to Ellen Axson, granddaughter of the Pastor, the marriage taking place in the manse.

This beautiful old church, The Independent Presbyterian Church of Savannah, was designed by James Gibbs and is a copy of St. Martin's-in-the-Field, London. It was chartered in 1775 by George II and the church structure was erected in 1819. President Wilson married his first wife in the manse in 1885.
