VICTORY DRIVE, SAVANNAH, GA.

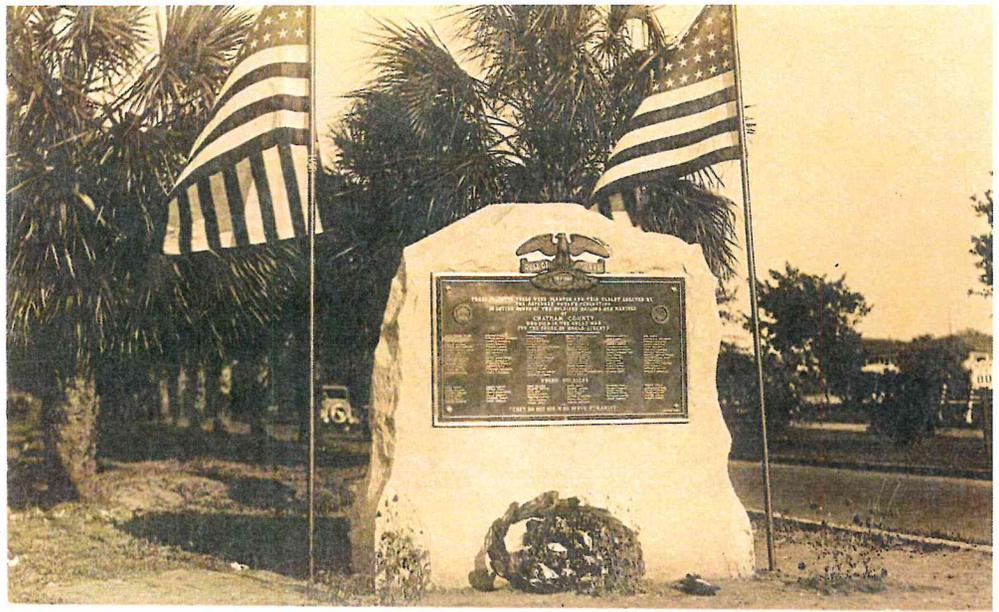

Savannah, the Forest City, referred to by travellers as "The Paris of the South," is, next to Washington, the most beautiful and unique city in America; has retained and extended its magnificent system of streets, parks and squares, originally designed by Gen. James Oglethorpe, founder of the city, nearly 200 years ago. The broad, well paved streets are lined with thousands of beautiful shade trees and attractive homes.
