**RECORD GROUP SCOPE NOTE:**

This record group contains petitions for building permits that date from 1909 to 1941. According to the *Savannah City Code*, 1917,

“any person desirous of erecting, changing or altering any building or structure within the limits of the City of Savannah...shall make application [petition] at the office of the Building Inspector for a permit for that purpose.”

Each petition was to include a written statement of the proposed location, dimensions and manner of construction of the proposed building or structure and the materials to be used. Each application was approved and signed by the Building Inspector, the City Engineer and the Mayor.

Additional boxes of petitions for building permits were found in the vault that pre-dated the papers already in this record group. As a result the early material has been placed at the beginning of the record group in boxes marked 1X through 5X. See inventory for detail list of box content.
