Dear Mr. Mendonsa:

The Savannah Branch, NAACP, deeply appreciated your generous \$10.00 donation toward the Andrew Bryan Project. The Branch has opened a new account at Carver State Bank in the famous minister's name, and all proceeds for this fund will go directly to this account.

It is gratifying to know that you have tasked yourself to help in the restoration of a proper memorial for the late Rev. Bryan and other graves at Laurel Grove Cemetery. The Branch feel that not only would we pay tribute to a great black, religious pioneer, but we would let those who may not know the many accomplishments of Rev. Bryan and other Negroes who are buried in Laurel Grove. Negro history is so vital, especially locally.

Many thanks for this wonderful gesture. As always, we solicit your continuing support.

Sincerely yours,  
Savannah Branch, NAACP

W. W. Law, President
